YOU HAVE QUESTIONS. I HAVE ANSWERS

Q: When is the best time for our session?

A: I love to shoot in the late afternoon sun, commonly referred to as 'golden hour', which falls an hour or so before sunset.

Q: Where will our session be?

A: I am local to Melbourne and can recommend some beautiful parks or beaches, if you don't have somewhere particular in mind.

Q: Do you travel for your sessions?

A: I do! Whilst there are a wide variety of locations to shoot at in our beautiful city, travel can be arranged at an additional cost, based on location.

Q: Will you help us print our photos?

A: Attached to your online gallery, you will find a print store based in Australia. It's a family-owned business and your chosen products ship directly to your home. Their quality is incredible! The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help by offering this service to my clients.

Q: Will my photos be posted publicly on your website or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're keen! If not, that's okay, too.

Q: Will you Photoshop my images to remove any double chins, wrinkles, etc?

A: Minor edits such as colour correction consistent to my editing style will be made to all of the images I will deliver to you. You can be assured that attention to detail goes into my editing. I also only choose to edit images that capture your connection, so if that includes a double chin because you're laughing your head off, I am here for it!

Q: How do we lock you in?

A: Reply via email to let me know you'd like to lock in a session. From here, a 50% deposit & signed digital contract is required to get your session locked in. The remainder of your balance is due two weeks prior to your session.
